Subject Re: [Fwd: [Fwd: NGS Response, STB docket AB-6 (SUB
NO. 431X)]]

Hi Simon

Just wanted to let you know I have completed recovering the marks threatened by the RR Abandonment in Yates City, Knox and Fulton counties, Illinois. I recovered and flagged 3 benchmarks and the rest are unfortunately already distorted.

Best regards,

Chris

Thank you for sharing your railroad abandonment environmental report for Yates City, Knox and Fulton counties, Illinois.

Approximately 07 geodetic survey marks may be located in the area described. If marks will be disturbed by the abandonment, NGS requests 90-day advance notice to attempt their formal relocation. These marks are described on the attached file. Additional advice is provided at <http://geodesy.noaa.gov/marks/railroads/>
